UPCOMING MEETINGS/SYMPOSIUMS/LECTURES/CONFERENCES:

Wasser Pain Management Centre – Education Rounds

June 18, 2003 – Rae Dolman – "Sex Therapy - What it is and why is it important"

The objectives of the talk are:

- 1) Gain a definition of sex therapy;
- 2) Understand what a sex therapist may (or may not) do to treat a client; and
- 3) Discuss why this service should be readily available in hospital settings

*Wasser Education Rounds are held at **12:00 noon to 1:00 p.m.** in Room 1163, Wasser Pain Management Centre, Mount Sinai Hospital, 600 University Avenue.*

GRANTS/AWARDS/FELLOWSHIPS – CALLS FOR APPLICATIONS/NOMINATIONS

2004 Purdue Pharma Prize for Pain Research - Call for nominations

Deadline for Nominations: end of September 2003.

Sponsored by: Discovery Research at Purdue Pharma L.P.

Description: Awarded bi-annually, this \$50,000 prize is designed to recognize outstanding contributions to pain research by an individual nominated by his or her peers and chosen by an international selection committee comprised of leading independent pain researchers from the academic community. Members of the scientific community are invited to nominate candidates online at the Purdue Pharma Prize website:

www.purduepainresearchprize.com

Deadline for submission of nominations is the end of September, 2003.

New Biology of Pain Award

AstraZeneca Canada Inc., in conjunction with the Canadian Pain Society, invite applicants from Canadian laboratories to apply for research funding to study the Biology of Pain. The scope of the program is broad and any aspect on the Biology of Pain will be considered for funding. The successful applicant will hold a university faculty appointment and receive a grant of CAD\$55,000 per annum for two years. The award will be announced and presented at the annual Canadian Pain Society meeting where the award recipient will have an opportunity to present their work. **The deadline for submissions is Friday, October 10th, 2003.**

Please submit your application to:

The Canadian Pain Society

AstraZeneca "Biology of Pain Award"

268 Grosvenor Street, London, ON N6A 4L6

For more information about the application format and application templates:
